

Make your kitchen a showplace!

Experience the elegance, sophistication, and warmth of real wood.

Natural wood and its wide array of choices is sure to enhance your decor whether it be English traditional or Scandinavian contemporary, Country French or American farmhouse. Couple this with the wide number of custom edges we have available, and your kitchen countertops are sure to be as unique as you.

1-3/4" Face Grain Texas Walnut

Our products are not mass produced. Each piece is individually hand crafted. We enjoy working with customers to design wood tops that are unique and functional. We are committed to the highest quality of craftsmanship and take pride in each piece we make.
